Minutes**

- I Opening Remarks John Steib**
The EPA published notice proposing full program approval of Texas' Operating Permits Program in the Federal Register yesterday. (October 11, 2001)
- The notice stated that all interim approval deficiencies were correctly addressed.
 - EPA is taking comments on the proposal until November 13, 2001.
 - Program must be approved by December 1, 2001.
- II Background or Update Information Kerry Drake**
Integration of New Source Review (NSR) and operating permits may solve procedural problems.
- III Discussion Topics**
- A. Response to Previous Issues Open Discussion**
Refer to response to issues handout
- B. General Operating Permit (GOP) Revision/Renewal Forms Open Discussion**
Lengthy discussion of the revision/renewal process for the GOPs. Kerry Drake committed to having the Air Permits Division staff produce a revision/renewal guidance document for GOPs by October 19, 2001.
- C. Compliance Certifications Open Discussion**
John Steib reported that the NSR compliance certification issue has been internally raised to the deputy director level. He also noted comments by the regulated community to consider in the resolution.
- IV Closing Remarks**
- V Next Meeting Date**
Thursday, November 8 at 10 am
